

SCHOOL DISTRICT NO. 48 (SEA TO SKY)

POLICY SERIES 1000 – SCHOOL-COMMUNITY RELATIONS

1004 COMMUNITY ACTIVITIES **1004.1 Use of School Facilities –** **Buildings and Grounds**

The primary consideration of the Board regarding school facilities is their availability and readiness for school activities.

In addition, when such use does not affect school use, the Board welcomes the use of school facilities by community organizations and groups when not required for school activity purposes, in support of growth in community spirit, learning and health.

As community use is beyond its mandate and funding, the Board considers that additional costs attributable to community event bookings, including labour and operational costs should be met by user fees.
