

SCHOOL DISTRICT NO. 48 (Sea to Sky)

POLICY SERIES 500 - STUDENT PERSONNEL

501	STUDENT ATTENDANCE
501.9	Exchange Students

The Board of Education, School District No. 48 (Sea to Sky) encourages the provision of instructional programs to exchange students. However, this support is subject to the conditions specified in the Regulation accompanying this Policy.

An “exchange” student is one involved in a reciprocal exchange; that is, equal numbers ‘in-coming’ and ‘out-going’ on a district basis. The Board receives fiscal funding for this student and tuition fees will not be charged. In order to provide districts with flexibility in administering exchange programs, the Ministry of Education will support equal exchanges over a two year period.
