POLICY SERIES 500 - STUDENT PERSONNEL

502. STUDENT CONDUCT

502.6 Cyber Misconduct

Definition:

In light of the advent of electronic technology as a means of communication and expression, the Board feels a separate policy on cyber-misconduct is warranted.

Cyber-misconduct refers to the use of information and communication technology to bully, embarrass, threaten or harass another. It also includes the use of information and communication technology to engage in conduct or behaviour that is derogatory, defamatory, degrading, illegal, and/or abusive.”
