

SCHOOL DISTRICT NO. 48 (SEA TO SKY)

POLICY SERIES 600 - EDUCATIONAL PROGRAM

602	PROGRAMS OF INSTRUCTION
602.2	Special Education

The Board of Education, School District No. 48 (Sea to Sky), recognizes its mandate to provide an appropriate educational program for all school-age students within the district. It further recognizes that there are students who have physical, intellectual, communicative, social and/or emotional needs sufficient to require curricular modification and/or placement in special programs.

Further, the Board believes that students with exceptional needs should be served in the most appropriate and least restrictive educational environment available.

The Board believes that parents should be involved in both placement and program planning for these students.

The Regulation accompanying this Policy provides more specific direction to be applied at the school level.
