

Squamish Autism Parents Support (S.A.P.S.) Group

S.A.P.S meets the first Thursday of each month from 7:30 pm – 9 pm. Please contact us at squamishasd@gmail.com for more information.

Want to talk? Need to laugh? Come and share at our informal group for parents of children of all ages with Autism Spectrum Disorder (ASD) or related pervasive development disorders. We bring in several guest speakers during the course of the year to cover specific topics and provide an opportunity for parents to network, discuss issues, share their successes, challenges and learn from each other.

The mission of S.A.P.S. is to create an opportunity for all parents to participate in an evening of sharing and focused discussion on the many social, community, educational, behavioral and economic issues that families deal with who are impacted by ASD.

S.A.P.S. Coordinators are parents who have children on the spectrum and come to facilitate the discussions and lend support based on their experience and knowledge of living daily with the needs of ASD children.

If you wish to join one of our meetings, know more about S.A.P.S., and be included in our mailing list please email us at squamishasd@gmail.com or call Catrin cell #(604) 849 1264.
