

Generating Assessment Ideas Using the Facets

Stage 1	Stage 2	
If the desired result is for learners to...	then, you need evidence of the student's ability to...	so, the assessments need to require something like...
<p>understand that:</p> <p>and thoughtfully consider the question(s)...</p>	<p>- explain...</p> <p>- interpret...</p> <p>- apply, by...</p> <p>- see from the points of view of...</p> <p>- empathize with...</p> <p>- overcome the naive or biased idea that...</p> <p>- reflect on...</p>
