<b>003 Accessible Games Cooperative Kit:</b> The whole class can play these award winning board games. Featuring Hoot Owl Hoot! And Snail’s Pace games, this kit, which includes an adapted dice roller, oversized foam dice, and a Step-by-Step speech generating device,	<a href="https://www.setbc.org/2016/09/003-accessible-games-kit/">https://www.setbc.org/2016/09/003-accessible-games-kit/</a>	1
<b>007 Making Music Kit:</b> The making music kit brings a new level of accessibility to music or band class. This kit contains a Skoog digital music device, and mounting system.	<a href="https://www.setbc.org/2016/09/007-making-music-kit/">https://www.setbc.org/2016/09/007-making-music-kit/</a>	1
<b>010 Curricular Kit:</b>	<a href="https://www.setbc.org/2016/09/010-curricular-kit/">https://www.setbc.org/2016/09/010-curricular-kit/</a>	1
<b>017 Science Kit:</b> The digital microscope, and large high definition monitor combine to give all students access to the excitement of observing magnified items (up to 220x!). We have included 48 sample slides for viewing a variety of items across a number of content areas. The Go Talk 9+ can be programmed with appropriate vocabulary for activities pertaining to exploring with the microscope.	<a href="https://www.setbc.org/2017/10/017-science-kit/">https://www.setbc.org/2017/10/017-science-kit/</a>	2
<b>020 Coding Kit #2:</b> Students will love exploring basic coding skills through programing robot mice to navigate mazes in search of cheese. In partnership with PRCVI, resources for students with visually impairments have been created and can be signed out from their lending library (see resources section).	<a href="https://www.setbc.org/2017/10/020-coding-kit/">https://www.setbc.org/2017/10/020-coding-kit/</a>	1
