

The Board of Education, School District No. 48 (Sea to Sky) promotes the attendance of Board authorized fee paying International Education students in School District No. 48 (Sea to Sky). The objectives for this program are as follows:

- to offer opportunities for international students to graduate with a British Columbia Dogwood Diploma and gain entrance to university;
- to promote awareness of and appreciation for other cultures in our communities
- to offer opportunities to participate in the learning and social environments of our communities; and
- to generate revenue to be used to enhance educational services and / or programs.
